

I am a listener of K-LOVE radio and I am writing to ensure this radio program remains on the air. I listen to K-LOVE radio on FM90.5 every day of the week. This radio broadcast uplifts me and encourages me every day. Taking K-LOVE off the air in my community would have a detrimental effect on all of us. This is a radio broadcast that is commercial free and vulgar free. This is a radio broadcast that I do not have to prohibit my children from listening to. I also do not have to monitor this radio station/broadcast since there is no foul language, no sexual innuendos, no talk of supporting violence (gang activity, murder for the sake of fun or revenge, etc.), no support of premarital sex, and the list can go on. K-LOVE is a radio broadcast that does not condemn a person based on race, sex, national origin, or disability, but rather edifies all for the good we are capable of doing. Hundreds of thousands of listeners can not be wrong about the good value of K-LOVE. Please do not allow LPFM stations to take priority over K-LOVE radio.
